**Dear Parents/ Carers,**

Welcome to the Harrington Street Public School community!

At Harrington Street, we highly value and encourage parental involvement at every step of your child's education. For parents and carers who are brand new to our school, we have a strong history of positive parental engagement in all areas of schooling, and an active Parents and Citizens Association (P&C) to further promote parent participation.

Your support and involvement in school activities will not only keep you informed and enhance your ability to assist your child, but also strengthen relationships between you and your child, teachers, and the wider school community.

Keep a look out for notes sent home, noticeboards around the school, and updates on School Bytes and Facebook for community activities. We are located in the school office, you are welcome to come and speak to us any time. We look forward to meeting you and your child and working together in 2025 and beyond.

Kind regards,

**Mrs Tran and Mrs Quach**
